

# MASTERS' SYMPOSIUM

Blepharoplasty & Upper Facial Rejuvenation

**SATURDAY 19 MARCH, 2011  
SYDNEY, AUSTRALIA**

The multidisciplinary Masters' symposium on 'Blepharoplasty and Upper Facial Rejuvenation', is to be held on Saturday the 19<sup>th</sup> of March in Sydney, Australia, allowing experts in blepharoplasty and periorbital rejuvenation from around the world the opportunity to come together and discuss this exciting and sometimes challenging field.

We have assembled a fantastic array of distinguished speakers from many aesthetic and reconstructive disciplines. We look forward to a true multi-specialty meeting with Plastic Surgeons, Orbital and Ophthalmic Plastic Surgeons, Facial Plastic Surgeons, Cosmetic Surgeons & Physicians, and Dermatologists all participating and contributing to the innovative learning experience.

*Sydney and its harbour are beautiful in early autumn; we look forward to seeing you there.*

### **Michael Groth, MD**

Orbital and Ophthalmic Plastic Surgeon  
Beverly Hills, CA

Dr. Groth graduated first in his undergraduate class at the University of Florida, where he was selected for Phi Beta Kappa. He also graduated first in his class at the University of Miami, School of Medicine, where he was president of Alpha Omega Alpha. He completed his residency at UCLA Medical Center's prestigious Jules Stein Eye Institute. Dr. Groth did his fellowship training in Ophthalmic Plastic Surgery at UCLA. Dr. Groth is a board certified ophthalmologist as well as a member of the American Society of Ophthalmic Plastic and Reconstructive Surgery. He has practiced in Beverly Hills for more than 20 years. As an Associate Clinical Professor at UCLA School of Medicine, he teaches regularly. Dr. Groth has lectured extensively and has authored many articles and book chapters on Ophthalmic Plastic Surgery. His practice is limited to cosmetic and reconstructive eyelid and eyebrow surgery. Dr. Groth has successfully performed thousands of eyelid and eyebrow procedures.

### **John McCann, MD**

Orbital and Ophthalmic Plastic Surgeon  
Center for Facial Appearances, Salt Lake City, UT

Dr. McCann completed eye surgery training at the prestigious University of California, San Francisco. He did advanced training in eyelid and facial plastic surgery at the University of Utah. During 9 years on the full time faculty at UCLA, Dr. McCann was the head of ophthalmology at a UCLA affiliated hospital, the founder and director of the Aesthetic Center at The Jules Stein Eye Center, and the co-director of the orbital disease center at UCLA. After achieving tenure at UCLA he retired from the university to become the medical director of The Center for Facial Appearances. He is an expert in cosmetic surgery of the eyelids, mid-face, lower face and forehead, having performed over 10,000 procedures. He has received numerous accolades including being voted to "Best Doctors in America", and a VIP member of "Who's Who amongst Physicians". He was featured on national TV in a show titled "Celebrity Beauty Secrets". He is a world-renowned teacher in his field and doctors travel from around the world to train with him.
