## JOHN McCANN, MD.

Dr. McCann is the medical director of the Center For Facial Appearances in Salt Lake City Utah. He limits his practice to ophthalmic plastic surgery, including eyelid, orbit, lacrimal, and cosmetic surgery of the face. In addition to practicing medicine Dr. McCann participates in medical education as a course organizer, lecturer, and a preceptor for ophthalmic plastic surgery fellows.

Dr. McCann also has an interest in developing software to improve patient care and to facilitate clinical research. Software he authored has been used to facilitate more than one hundred clinical studies in ophthalmic plastic surgery.

Dr. McCann completed his MD and PhD degrees at the University of Iowa. His PhD thesis elucidated the molecular basis of Cystic Fibrosis. He did residency at the University of California San Francisco, and Fellowship at the University of Utah. He was a professor of ophthalmology at the Jules Stein Eye Institute at UCLA for nine years. After gaining tenure at UCLA he moved his practice to it's current location where he is in partnership with Richard Anderson, MD.
